

Is it possible to make DreamTrips™, one of the world's best travel and entertainment club memberships, even better? Yes!

INTRODUCING THE
*DreamTrips Reward
Program*

For new members (product customers) you enroll before April 30, every dollar they spend on enrollment and membership fees in 2013 will be rewarded back to them as DreamTrips Points, redeemable toward the cost of Reward DreamTrips.

DreamTrips Points are guaranteed to be rewarded back on a dollar-for-dollar match through April 30, 2013.

DOLLAR-FOR-DOLLAR POINTS!

After enrollment, your members will earn one DreamTrips Point for every dollar they spend on their monthly DreamTrips membership fee. Points accumulate each month and are ready for use after one year. New members will also receive up to 200 points when they enroll, which are available for immediate use.

Now, not only do your members get access to a diversity of one-of-a-kind travel experiences and adventures; access to discounts on five-star destinations worldwide; and use of one of the world's most-awarded online travel services, but now, membership dues equal DreamTrips Points during the promotional period.
